Comparative remuneration profile with respect to industry, size of company, profile and position of person:

During last decade, the Indian paper industry have seen many ups and downs. The size of the paper industry in India has increased manifold during the past several years in terms of sales and revenues. With increased size and turnover, it is also imperative for any paper company to have highly experienced persons having specialized knowledge and skills to understand and project the market trend, consumer behavior, consumption pattern and many relevant indicators for better product mix. It also requires expertise for appropriate fund allocation, optimum utilization of various resources in the business. Mr. Kailashchandra P. Agrawal, Mr. Anilkumar M. Lakhotiya, Mr. Jarnailsingh G. Saini and Mr. Omprakash D. Rathi, have successfully proved their expertise in very effective manner and drove the Company towards the growth over the period of time. Hence, the Board of Directors considers that the remuneration proposed to them are justified commensurate with other organisations of the similar type, size and nature in the retail industry.

II. Other information:

1. Reasons of loss or inadequate profits:

The Kraft paper industry facing tough competition from Chinese/other products. In order to stay afloat in the market the Company needs to sell goods at lower margin resulting in lower profits in previous years. Despite of tough competition & increase in raw material cost, the company is able to record increase in turnover and net profit.

2. Steps taken or proposed to be taken for improvement:

The Company is focusing on strengthening its core competency in manufacturing, by optimizing inventory, improving Productivity and reduction in cost of manufacturing. In addition to the above, certain strategic management changes made during the previous financial year would result in further cost reduction and thereby contributing to the profitability in the years to come.

3. Expected increase in productivity and profits in measurable terms:

The management continuous to be cautiously optimistic towards the external economic environment and expects demand to become more consistent and robust in the current financial year. Further, various policy decisions taken would act as growth channel for the Company which would contribute in increased revenues and higher margins. Further, streamlined manufacturing activity, distribution, customer engagements, has already started to show results.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A) ECONOMY:

With an overall slowdown in the global economy on account of COVID-19 pandemic, the prospects in 2021 have shown sizeable improvement and the negative growth in 2021 is expected to be reversed with positive growth in 2022. These are unprecedented and uncertain times. Globally, the COVID-19 pandemic has caused massive disruptions across every sphere of human and business activity. There has been an adverse economic impact on people, communities and countries.

The vaccination drive has picked up momentum pan-India and the outlook remains positive with the advent of new vaccines reaching the market. Emerging Markets like India have witnessed a slowdown and there is economic fallout registered on account of sustained lockdowns in various parts of the Country. The country witnessing a second wave of the pandemic in March, 2021. The localised lockdowns have resumed which are likely to impair economic activity.

The measures taken by the government to contain spread of the COVID-19 pandemic have had an impact on the economic activities as well as on the data collection mechanisms. Estimates are, therefore, likely to undergo sharp revisions for the aforesaid causes in due course. V-shaped economic recovery is expected due to mega vaccination drive, recovery in the services sector and strong growth in consumption and investment etc.

INDEPENDENT AUDITOR'S REPORT

To,

THE MEMBERS OF HARDOLI PAPER MILLS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **Hardoli Paper Mills Limited** ("the Company"), which comprise the Balance sheet as at 31st March, 2021, and the statement of Profit and Loss (including other comprehensive income), statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Other information

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon and we do not express any form of assurance conclusion thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on work we have performed; we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

INDEPENDENT AUDITOR'S REPORT (CONTD.)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement Cash Flow and the Statement of changes in equity are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued there under;

INDEPENDENT AUDITOR'S REPORT (CONTD.)

- e) On the basis of the written representations received from the directors as on 31st March,2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March,2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed pending litigations and the impact on its financial position - refer note 39 to the Standalone Financial Statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There is no amount required to be transferred to investor education & protection fund.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT – 31ST MARCH 2021

(Referred to in our report of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation, of Property, Plant & Equipment.
- (b) As per the information and explanation given to us, all the fixed assets have been physically verified by the management at regular intervals, which in our opinion, is reasonable. According to the information and explanations given to us, the discrepancies noticed on physical verification as compared to book records maintained, if any, were not material and have been properly dealt with in the books of account. In our opinion, such frequency is reasonable having regard to the size of the Company and the nature of its fixed assets.
- (c) The title deeds of all the immovable property (which are included under the Note 2 – ‘Property, Plant and equipment’) are held in the name of the company.
- ii. The inventory, except goods-in-transit, has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- iii. In our opinion and according to information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.
- iv. The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Section 186 of the act in respect of investments made or loans or guarantee or security provided to the parties covered under Section 186.
- v. According to the information and explanations given to us, the company has not accepted the deposits from public within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under wherever applicable, have been complied with. Further, we are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any other tribunal in respect of the same.
- vi. We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by Central Government for maintenance of cost records under sub section 1 of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues including provident fund, employees state insurance, income tax, Goods & Service Tax, cess, professional tax and other material statutory dues, as applicable, with the appropriate authorities. According to the information and explanations given to us, no material undisputed amounts payable in respect of provident fund, employees state insurance, income tax, Goods & Service Tax, cess, professional tax and other material statutory dues were in arrears as at 31st March 2021 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, as on 31st March 2021 there is no amount outstanding in respect of disputed income tax, Goods & Service tax, wealth tax, excise duty, cess, education cess and custom duty except for the following:

Name of the Statute	Nature of Dues	Amount in ₹	Period to which the amount relates	Forum where dispute is pending

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT – 31ST MARCH 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of **Hardoli Paper Mills Limited** (“the Company”) as of 31st March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

1. Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

2. Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

3. Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

4. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, the Company has, in all material respects, an internal financial control with reference to financial statements over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

NOTE 1: BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES**I. Corporate Information**

Hardoli Paper Mills Limited (the Company), is incorporated on 24th February, 1995 as a Public Limited Company under the Companies Act, 1956. The Company manufactures Kraft paper of various grades which are used as packing material. The Company sells the Kraft Paper directly to various parties and through network of dealers in the domestic market. The manufacturing facility of the company is situated at village Hardoli, Nagpur District, Maharashtra. The Company's equity shares are listed on Metropolitan Stock Exchange of India.

II. Summary of Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Basis of preparation**Compliance with Ind AS.**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

1. Factory Land and Building of Property plant and equipment which were revalued in FY 2017-18 and no material change in the fair value of current financial year.
2. Defined benefit plans – plan assets measured at fair value.

b. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding 12 months) and other criteria set out in the schedule III of the act.

c. Revenue recognition

The Company earns the revenue primarily from the manufacturing of various grades of Kraft Papers.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably.

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Company's activities. Revenue is shown net of GST, returns, rebates and discounts.

Income from services rendered is recognized based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

Interest income is recognized on accrual basis at effective interest rate (EIR).

PSI Subsidies, Incentives are recognized when the right to receive credit as per the terms of the scheme is established after the receipt of provisional sanction from the District Industries Centre and when there is certainty of realization.

d. Property, plant and equipment

Property, Plant and Equipment are stated at cost net of GST, if any and subsequently at cost less depreciation and impairment losses if any.

Freehold Land & Factory Building

Freehold land is stated at fair value. Factory Building is stated at fair value. Fair values of land and building are estimated by management with the useful life of 30 years in case of building. Management estimate is based on the valuation report dated 5th October 2017 issued by an independent professional valuer. As per the management estimation there is no material change in the fair value as of Free Hold Land & Factory Building as on 31st March 2021.

Factory Building is stated at fair value less depreciation as stated above.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

Other Property, plant and equipment

All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Property, Plant and equipment are derecognized from the financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the statement of Profit & Loss in the year of occurrence.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital Work-in-Progress

Capital work-in-progress includes assets under construction and cost attributable to construction of assets not ready for use before the year end.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

- i) Plant and equipment is depreciated over 15 years based on the technical evaluation of useful life done by the management.
- ii) Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase. Freehold land is not depreciated.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

e. Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods, Stock-in-trade and Property under development are stated 'at cost or net realizable value, whichever is lower'. Goods-in-Transit are stated 'at cost'. Cost comprises of all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw Materials

These inventories are valued at lower of cost or realizable value. Cost is determined on First-in-First-Out basis.

Stores, Spares, Packing Materials & Consumables

These inventories are valued at lower of cost or realizable value. Cost is determined on First-in-First-Out basis.

Manufactured Finished Goods

Finished goods stock is valued at cost or net realizable value, whichever is lower. Cost of finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

f. Foreign currency transactions

Transactions in the foreign currencies are accounted at functional currency, at the exchange rate prevailing on the date of transactions. Gains/losses arising out of the fluctuations in the exchange rate between functional currency and foreign currency are recognized in the Statement of Profit & Loss in the period in which they arise. The fluctuations between foreign currency and functional currency relating to monetary items at the year ending are accounted as gains/losses in the statement of Profit & Loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

g. Lease

Operating Lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating lease is charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

h. Financial Instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized in profit or loss.

Non-derivative financial instruments:**a. Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

b. Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial assets at fair value

Financial asset not measured at amortised cost is carried at fair value through profit or loss (FVTPL) on initial recognition, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading.

Financial asset at FVTPL are measured at fair values at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

d. Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest rate method or at FVTPL. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or is held for trading or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

i. Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

j. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

k. Provisions, contingencies and commitments

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A disclosure for contingent liabilities is made where there is-

- i. A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- ii. A present obligation that arises from past events but is not recognized because:
 - a. It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. The amount of the obligation cannot be measured with sufficient reliability.

Contingent Assets are neither recognised nor disclosed in the financial statements.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

l. Employee benefits

The Company has following post-employment plans:

i. Defined benefit plans – gratuity

- a. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through actuarial valuation using the projected unit credit method.
- b. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss.

Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements.

Net interest expense or income:

- c. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.
- d. Re-measurement comprising of actuarial gains and losses arising from Re-measurement of Actuarial gains/ (losses) Return on plan assets, excluding amount recognized in effect of asset ceiling Re-measurement arising because of change in effect of asset ceiling are recognised in the period in which they occur directly in other comprehensive income. Re- measurements are not reclassified to Statement of Profit and Loss in subsequent periods.
- e. Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

ii. Defined contribution plans - provident fund

It is accounted on accrual basis with the contributions to the Employee Provident Fund administered by the Central Government.

iii. Short-term and other long-term employee benefits

Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered.

m. Income tax

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

n. Earnings per share**1. Basic earnings per share**

Basic earnings per share is computed by dividing:

- The profit/ (loss) attributable to the owners of the Company
- By the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

2. Diluted earnings per share

Diluted earnings per share is computed by dividing:

- The profit/ (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

- By the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

3. Potential equity shares

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

o. Exceptional items

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

- p. The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian government, to stem the spread of COVID-19. Due to this, the operations in Company's manufacturing got temporarily disrupted. Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. Considering the facts & circumstances, the degree to which the entity's operations are impacted is insignificant. The Company will continue to closely monitor any material changes to future economic conditions.

III. Use of estimates and judgment

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialise. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised.

Judgements

In the process of applying the company's accounting policies, management has made the following judgements which have a significant effect on the amounts recognised in the financial statements:

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation and Leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Useful life of Property, plant and equipment

The company reviews the useful life of Property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expenses in the future years.

Note- A) Trade Receivables have been hypothecated with banks against cash credit facility.

B) Credit risk arising from trade receivables is managed in accordance with company's established policy with regard to credit limits, control and approval procedure. The company provides for expected credit losses on trade receivables based on simplified approach as per Ind AS 109 Under this Approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates of future uncertainties etc. Further, management believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

Fair value hierarchy and method of valuation

The company considers that the carrying value amount recognised in the financial statements approximate the fair value largely due to the short term maturities of these instruments.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (CONTD.)

Risk Management Framework

The company's principle financial liabilities includes borrowings, trade and other payables. The company's principal financial assets includes loans, cash and cash equivalents and others. The company is exposed to credit risk, liquidity risk and market risk. The company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the company's policies and risk objectives.

Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- i) **Credit Risk** : Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers, investment in inter corporate deposit and loans given to related parties.

The carrying amount of following financial assets represents the maximum credit exposure:

Trade receivables : The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Each outstanding customer receivables are regularly monitored and if outstanding is above due date, the further sales are controlled and can only be released if there is a proper justification. No impairment is observed in the carrying value of trade receivables.

Other Financial Assets: Credit risk from balances with banks and loans, advances are managed by responsible and authorised person of the Company. Investments of surplus funds are made only with approved counterparties.

- ii) **Liquidity Risk** : Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach in managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds and inter-corporate loans.

- iii) **Market Risk** : Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.
- a) Foreign currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies.
- b) Interest rate risk : Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the term loans from banks carrying floating rate of interest. These obligations exposes the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:
